

RPG CONSENT CHECKLIST: BONDAGE

This is a supplemental consent checklist that provides greater precision for its particular subject matter and does not cover all bases by itself. It is intended to be used in conjunction with other consent tools.

At this time the built-in colorblind accessibility and print-friendly design does not display properly in Acrobat Reader.

GM Name: _____ **Player Name (optional):** _____

Planned Game Theme: _____

If this game were a movie, its movie rating would be: **PG-13** **R** **NC-17** **Other:** _____

Mark the option which best matches your comfort level as a player with each subject matter, story element, or theme.

☐ Green = Completely fine with this.

☐ Blue = I'm fine with this in the game, just not for my character(s).

☐ Yellow = Okay if it is offstage or veiled; more would require discussion ahead of time; or uncertain.

☐ Red = No, hard limit.
